
King's Diploma Policy

The King's Christian Collegiate Diploma (KCCD) is intentionally structured to provide an overall learning experience that stimulates growth and maturation on a number of levels (intellectual, spiritual, psychological, social, emotional, and physical). All of our courses are carefully crafted to provide opportunities for both academic excellence and character formation. Our courses are rooted in a Biblical foundation, and both course content and instructional methods are intentionally shaped by this foundation. Our content and instructional methods are intentionally shaped by this foundation. Our diploma provides opportunities for a typical list of course options available at Ontario High Schools; it is unified by the specific requirements of Old Testament Study (grade 9), New Testament Study (grade 10), and Biblical Perspectives (grade 11).

Students are required to successfully complete 30 credits, 40 hours of community involvement, and the Grade 10 literacy test in order to receive an Ontario Secondary School Diploma. In addition to the 18 compulsory credits that each student must take, set by the Ministry of Education, a King's student must also take the following courses in order to be eligible for a KCC Diploma:

- 2 Bible courses (HRE13, HRE23)
- 1 additional physical education credit (PPL20)
- 1 grade 11 Biblical perspectives credit (IDC30)

A student who enters King's at grade 9 is required to take all of these courses. If a student enters King's in grade 10, he or she is required to complete all the requirements from grade 10 – grade 11. If a student enters in grade 11, he or she is required to complete the requirement for grade 11. Students are not required to go back and take the courses he or she may have missed being at another school.
