

Tuition Payment Information Spring 2009

2009 - 2010 Tuition Process for Returning Families

The process is simple. As per the Tuition Rate Schedule when you first enrolled, the agreement **assumes enrolment until graduation unless we are notified no later than May 15th**.

We will apply the new rates to your 2009 - 2010 tuition account based on the same payment and transportation arrangements on file. The new rates are posted on this website.

If you are currently on the pre-authorized monthly payment plan, the new rate will be reflected on the July 1st or August 1st payment (depending on which 12 month payment schedule you are on).

If your agreement is to make one or two payments for the full tuition payments, please forward these post-dated cheques to the attention of the Assistant Controller, Debbie McKendry no later than **May 15, 2009**. The payment schedule is **July 1/09** for one payment and **July 1/09 and Dec. 1/09** for two.

If you need to change these arrangements, or would like a copy of your tuition statement, please contact Debbie McKendry by email dmckendry@kingschristian.net or by phone at 905-257-5464 ext 502.
