

THE KING'S HERALD

PD DAY

MON APRIL 23

Please note that the King's Faculty will be attending a Professional Development Day in Toronto on April 23. There will be no school for students on that day. The office will be open.

When the perishable has been clothed with the imperishable, and the mortal with immortality, then the saying that is written will come true: "Death has been swallowed up in victory." 1 Corinthians 15:54

When Jesus appeared to the two disciples on the road to Emmaus, they didn't recognize him. (Luke 24:13-33). They even talked in great length about Jesus, but they didn't know they were in His very presence. Has Jesus, the resurrected Saviour, visited you, but you didn't recognize Him?

This morning our students and staff experienced an assembly focused on the suffering of Jesus Christ. Congratulations to all who provided the music, voices and pictures that allowed the audience to draw close to the cross. The somber meditation gripped my heart.

Each day our staff and our students seek to model the love that Jesus Christ displayed so many years ago. It is my prayer that each student and every person associated with King's would see Christ in our day-to-day interaction.

As Jesus approached the cross, He was focused on bringing glory to the name of the Father. May we, too, be humbled by the cross, broken by our sin, thankful for His love and be focused on bringing glory to God. May we all experience a blessed Easter week-end, knowing that death has been conquered!

In the love of Christ, our Redeemer, **Mr. Vanderkooy**

OUR VERY OWN MARATHON MAN...

Andrew Ponsen, our Director of Facilities, is facing a big challenge on April 16 when he participates in the 111th Boston Marathon. The famous 26 mile race attracts runners from all over the world, including Andrew and King's parent **Jim Paterson**. You can track their progress on race day by logging onto www.bostonmarathon.com and entering their bib numbers (Andrew # 8283 and Jim # 9854). Let's remember to pray for the health and safety of these ambitious athletes—and to cheer them on to the finish line!

ANDREW PONSEN

DIRECTOR OF FACILITIES AND MARATHON RUNNER

SCHEDULE OF EVENTS

- *Fri April 6 & Mon April 9*
Good Friday and Easter Monday - school closed
- *Wed April 11 7:00 pm*
Information Night for Course Selection 2007/08
- *Mon April 16 at 7:30 pm*

- *Tues May 1 all day at King's*
Fifth Annual ASCI Arts Festival
- *Friday May 11*
Maximum Impact Leadership Conference
- *Fri May 11 & Sat May 12*
Short Play Festival

DRIVERS,

PLEASE BE AWARE...

Please remember to enter the school property from the WEST side, off Fourth Line. The driveway onto Burnhamthorpe Road at the northeast corner of the property is to be used only as an EXIT. Thank-you for your co-operation!

The Lost and Found box is full. Please pick up your misplaced items from the box outside Mr. Ponsen's office before they are donated to a worthy cause.

King's introduces a new Student Lecture series featuring a 20-minute student presentation on an area of interest. Thursday April 5 features Calvin Moes and "Upcoming Space Technologies".

There is an immediate need for Junior Men's **Soccer Coach**. Please contact John De Boer if you are interested in coaching soccer to some terrific teenagers—or if you know someone who might be.

PRAYER POLE

Join our prayer group as we read through the book of Proverbs and pray for Godly wisdom for staff and students alike - Thursday mornings at 8:45.

Praise God for the remarkable recovery of Annie MacMullen, sister of Don MacMullen (Class of 2004) who was seriously ill with a virus which had attacked her heart. Annie is now home gaining strength daily.

What do you get?

BLEACHERS

No...Not quite yet!!

\$2,000 more to go!

The finish line is near!

Please keep your bleacher donations coming in. As soon as we receive the last \$2,000, the bleachers can be ordered and within 6 weeks, we could be sitting in them!

THINKING AHEAD...

King's is pleased to make **Career Cruising**, an excellent interactive career resource, available to our school community. Career Cruising is a multimedia tool that provides detailed occupational profiles, interest surveys, post-secondary education information, and the ability to save personal portfolio and resume data. Students and parents are invited to contact Student Services or the main office for the school's username and passwords.
