

King's Christian Collegiate

# THE KING'S HERALD

On His robe and on His  
thigh He has this name  
written: KING OF KINGS  
AND LORD OF LORDS.  
Revelation 19:16

MARCH 2, 2007

*Providing teenagers with a positive high school experience  
and positioning them for Godly leadership.*

## GOOD THINGS AT KING'S!

Every day at King's is an adventure - a wonderful melding of adults and teenagers, academic learning, spiritual training, mentoring, discipling, laughing and living. While profound learning takes place in the classrooms, it is often beyond their borders that life experiences enrich students' lives.

The past two weeks have included exuberant celebrations of International Heritage Month, featuring ethnic foods, cultural awareness activities and international trivia. The festivities culminated in a student run Fashion Show, on Thursday Feb 22, attracting over 300 students and community members to an international buffet and extravagant display of dancing, singing and runway models - even our own teachers dared to strut their stuff!

We love to hear your comments. This week alone, we have received the following accolades:

*I just had to say that I am again so impressed by the King's teachers. I received detailed emails from the teachers, including phone calls as to how we can help our son succeed. We really feel supported with the challenges that being a parent can bring. The teachers are so affirming and helpful. They are special.*

*My husband and I have been really delighted with our son's schooling and the caliber of the teaching he has received.....we have been so pleased as we have watched him synthesize learning in English and history with trends in culture and religion in our day.....he is thinking and processing all the time and we appreciate that he has been given good tools and information with which to work. Thank you for allowing him to be his own self - we would hate to see that boy pushed into a mold.....molded, yes, but by the Master Potter.*

If your family has good news to share, please let us know! We want to rejoice with you and continue to cheer our students on to success and fulfillment. Just as important, if there are needs we should be made aware of, please don't hesitate to contact us. We are committed to partnering with you in ensuring a positive high school experience for every King's student.

*The King's faculty benefits from weekly Research  
and Professional Development Sessions while  
the students enjoy their sleep-in!*

## SCHEDULE OF EVENTS

- *Thursday, March 8*  
Last day of classes before March Break
- *Monday, March 19*  
First day of classes after March Break
- *Fri April 6 & Mon April 9*  
Good Friday and Easter Monday - school closed

## LIBRARY

### VOLUNTEERS NEEDED

If you have seen the new library at King's, you will note that it is designed as a beautiful place to read and do research. You will also note that we have plenty of shelves to fill with the best of books! Book purchases are in progress, but we will need volunteers to help with processing them for proper use. If you love books, please contact the school office to add your name to our list of volunteers.

## PRAYER POLE

Join our prayer group as we read through the book of Proverbs and pray for Godly wisdom for staff and students alike - Thursday mornings at 8:45.

Please pray for Annie MacMullen, sister of Don MacMullen (Class of 2004) who has been diagnosed with congestive heart failure.

Remember to pray for our students as they head out on March Break missions—to New Zealand and California.

## BLEACHERS \$14,000 GOAL ALMOST REACHED!

Bleachers are coming soon! Free dress day last Friday brought our total to \$8,420. With the help of a generous donor, each donation brought in is being matched, which means that every \$50 turns into \$100. We are almost there! **Did you know** that each donor's name will be written on a plaque and will be mounted on the bleachers? So, please keep your donations coming, and thank you to all those who have already donated. Please make all cheques payable to King's Christian Collegiate labeled "School Spirit".

## SPORTING NEWS

This past week our senior men's basketball team played host to arch-rival ACMT from Hamilton to compete for a berth in the provincial championships to be hosted by Quinte Christian High School, a fellow Christian high school in Belleville, Ontario. With a limited sized bench, our men played hard, but ultimately were defeated by highly ranked ACMT. The season has now come to a close, with the highlight being the second place finish in the recent Christian High School meet.

Next week our senior girls will be traveling to Stratford to represent King's and our GHAC region in the single 'A' OFSAA Championships. Please pray for safety on the road and that the girls will compete to the best of their ability while representing Christ our King. Tournament details can be found at [ofsaa.on.ca](http://ofsaa.on.ca)

**Soccer coaches** are needed for both Men's and Women's teams. Contact James Walraven at [jwalraven@kingschristian.net](mailto:jwalraven@kingschristian.net) to offer your services. **The rewards:** lots of fresh air, an occasional mention in The Herald, and the privilege of cheering on dozens of high school athletes!

*How will our students deal with their new financial realities upon graduation?*

*Parents, You're Invited...*

...to join the Grade 12 students on Monday, March 19 from 8:40 to 10:00 am in the King's library for a **Finance Seminar** hosted by King's. This informative session will be conducted by **Lisa Morrison of Finance Solutions Consulting** ([www.financesolutionsco.ca](http://www.financesolutionsco.ca)) and will cover a range of personal finance topics, including credit, debt and maintaining control of one's personal finances. The seminar will feature a one-hour presentation followed by a question and answer period. Free materials for further study will be provided. Join us if you can!
