

# THE KING'S HERALD

May 17, 2007

*Providing teenagers with a positive high school experience  
and positioning them for Godly leadership.*

## *FROM THE PRINCIPAL...*

King's has a reputation for excellent staff. When asked in a recent survey, parents and students both expressed a very high degree of satisfaction – more than 90% agreed that the work of the staff is exemplary. Over the past few weeks I have received the resignation of four staff members and the happy announcement of two maternity leaves. Mr. Bulthuis has accepted a two year contract at an international school in Prague, Mr. Huizenga will be teaching in Barrie, Mr. Schat is returning to St. Catharine's and Dr. Ashun will be in a new role as professor of Education at Redeemer Christian University College in Ancaster. We will miss them. We trust our God to bless each of them as they continue to impact the lives of young learners. Dr. Ashun has promised to send her best graduates back to King's!

I am pleased to announce the appointments of Mr. Armstrong (Athletics, ESL) and Mr. Aiello (Mathematics) who both are currently on temporary contracts. Our students will testify to their good work among us this year and will be pleased with this announcement. In addition Nadia Bruce-Mueller (Bible, Society) currently at Meadow Green Academy and Glen Hammond (English) will be on the King's staff for September. Each have impressive academic and experiential resumes. I am confident that they will continue the King's tradition for excellence in teaching.

In addition to these staff changes, Mrs. Moes and Mrs. Scholman will be on year long maternity leaves. We trust that God will bless their families with a great year of joy. Returning from maternity leaves will be Mrs. Stassen and Mrs. Pilatzke.

Pray with us that capable teachers will be led to seek to teach at King's as we complete the hiring process for the next school year.

### *RECORD GRADE 9 ENROLLMENT*

We are pleased to report that King's has a growing reputation for excellence. The enrollment for September promises to be significantly higher than the current 340. The Grade Nine class will be the largest ever, with 85 registrations already in hand. We anticipate that this freshman class will grow to close to 100 students. We thank all parents and students for being our ambassadors as together we strive for full utilization of the expanded building.

Watch for a student-led fundraiser in support of World Vision humanitarian aid for developing countries. Initiatives include bake-sales, food specials and class presentations over the next couple of weeks.
