

THE KING'S HERALD

It is a land the LORD your God cares for; the eyes of the LORD your God are continually on it from the beginning of the year to its end.

Deuteronomy 11:12

From the Principal's desk...

WHAT'S BEEN HAPPENING LATELY?

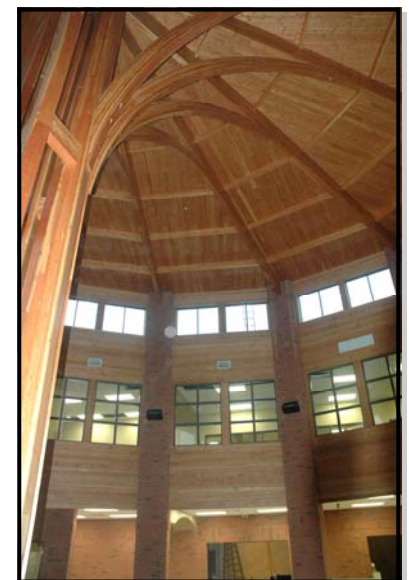

The last few weeks have been especially satisfying with a number of projects moving towards completion. Here is a snapshot of the blessings that abound around our school:

- Teachers are working feverishly to post marks on Maplewood for your perusal. I am sure that parents have noticed extra homework these last few weeks in preparation for tests in every course.
- We will be hiring an additional part-time teacher to help meet the academic needs of the international students who are new to the English language. This will provide improved learning from their present more integrated schedule.
- We praise God that we have finally received the building permit for the kitchen. Soon the "Maple" trailer will disappear so that the contractor can complete his work on the centre island. If you have not been around the school in the last few weeks, come and have a look. It's amazing!
- Soon all students will be introduced to a cash card for purchases at the cafeteria. The card acts like a bank card, can be activated on-line and needs electronic fund transfer from a bank account. I am sure most students are hoping that the cash will come from their parent's account! More details soon.
- Staff and students are happily preparing for the Gala and the official opening of the expansion. All parents are encouraged to participate, so mark Thursday November 9th on your calendar. This historic date marks an important milestone. Let us celebrate together what God has given so that we will continue to fulfill His mission. Please call the school office for your "free" ticket (905-257-5464 ext 501).
- Please thank God for the health of our students and pray for their safety. Pray that our students will experience physical, academic, spiritual and emotional safety at school, at home, and in their social interactions. We live in a dangerous age. The alarms raised by the recent shootings have caused us to begin the development of a lock-down procedure. Students and parents are invited to submit their thoughts on this matter.

Until next time,

MR. VANDERKOOY

FOR THE LOVE OF READING...

Library books that would benefit our students in their pursuit of Godly wisdom are sought for the new King's library. Parents and supporters who would like to fill half a metre of library shelf space with good quality books that are consistent with the mission of King's are welcome to do so. If you have books to donate, contact our Vice Principal of Academics, John deBoer (905-257-5464 ext 505).

We, the yearbook committee are delighted to be working on our third annual yearbook. This year we are publishing a 64 page full colour yearbook! We are looking for individuals who are interested in placing an advertisement in our book. The cost of a business card sized advertisement is \$100.00. All cheques should be made out to King's Christian Collegiate. If you would like to place a larger advertisement please e-mail the Director of Marketing for the yearbook, Kaitlin De Jong at kdejong@kingschristian.net. Thank-you for your support.

Ten years from now, do you want something to remind you of the good times you had with all your friends in high school? If you answered yes to any of the above, make sure you buy the 2006/2007 yearbook which will be on sale starting Monday, October 23rd until Friday November, 3rd. The first 75 will be \$25.00, after that each will cost \$30.00. There are only 150 yearbooks available, so reserve yours now!

CROSS COUNTRY NEWS...

King's Cross Country is enjoying a banner season, with the GHAC championships one week away. On Wednesday, October 18, **Chantelle Robbertse** (Grade 9) (pictured below) became the first King's student to win a cross country race when she **won the Midget Girls** race at the Christ the King Invitational at Bronte Creek Provincial Park. Chantelle's wonderful accomplishment follows on the heels of three medals at the Christian School tournament (Gold, Jr.Boys - Graeme Scott; Silver, Midget Girls - Chantelle; Silver, Sr.Boys - Hamish Paterson, with 4th Sr. Boys to Tristan Sandhu) earlier this month. We look forward to great results at the GHAC championships and possibly a few qualifiers from King's traveling to OFSAA in Thunder Bay.

PRAYER POLE

Join our growing group of praying parents and supporters **Thursday mornings at 8:30** as we pray for the concerns of the King's community and give God the glory for His mighty work in our midst. This year we will have a designated room for our weekly prayer meeting and a staff representative to guide us in praying knowledgeably about the needs of the school community.

Please pray for the upcoming **Ribbon Cutting Ceremony and the Sixth Annual Gala and Silent Auction, on November 9**. Pray for the participants and for a celebratory spirit and a sense of community as we gather to give God the glory for all He continues to do at and through King's.

TEENS HELPING OUT...

This week and next week is OAKVILLE TEENAGERS IN ACTION Annual 2 week campaign asking for \$5.00 from every teenager in Oakville. Bring your \$5.00 so girls in Ghana can go to school. The money goes towards construction on building a well for a community. Talk to King's co-coordinators Stacy Allison and Mara Silvestri at lunch in the front lobby to find out more about this campaign. They are happy to answer any questions you may have.
