

## 2010 Preview

### Your 2010 Cavs

A strong, well-balanced squad returns for the 2010 season. Senior co-captains Cameron Eisses and Rob Morton are both eager to finish their careers with a championship. Eisses and Morton form the core of a very strong attack. Transfer student Jordan Pessotto will also add a high degree of creativity, while Brandon Regeling and Paul Oldfield provide significant speed on the wings. Rounding out the offense is grade 9 standout Anthony Sossa who recently arrived from Australia.

A young but talented defense returns to anchor the backline. David Panza and Kyle Klassen provide stability and leadership, while Caleb Sawh, Franco Ceciarelli and Michael Panza each contribute with their speed and tenacity. In net, King's features a very strong 1 – 2 punch in Ben Stewart and Sebastian Sciarra.

In addition, King's graduate and captain of the 2008 OFSAA championship team, Matt Nellich, returns as assistant coach.

All in all, the 2010 Cavalier's team is eager to begin the season. Come and cheer us on !

# 2009 Season Recap

## Young, But Talented !

It was difficult to predict what the young Cavaliers would do in 2009 following their 2008 OFSAA victory. A total of 8 starters from the previous year graduated. However, a new core of young talented players, along with transfer student Geoff Findley,

emerged to make the 2009 season a success. In regular season play, King's finished the season with an impressive record of 5 wins, 1 loss and 2 ties before losing in the semi-finals to the eventual champions, Corpus Christi.

Despite the semi-final loss in Halton league play, King's advanced to the OFSAA "A" provincial championship. Placed in the toughest pool in the tournament, King's finished second in pool play, but was eliminated based on point differential. Despite this, there were many positive highlights during the season and players are eagerly looking forward to this coming season.

## University Bound

Several former King's soccer players have just completed their first year of collegiate soccer. Devin Kauffeldt (Houghton College) and Geoff Findley (UBC-Okanagan) have just finished their freshmen years and made important contributions to their respective teams. Marco Ilao, member of the 2008 OFSAA championship, recently signed on with the University of Connecticut. Current King's forward Cameron Eisses has attracted significant interest from USA division I schools and will soon make a decision on his future. Several other current King's players have the potential to play at the next level. King's wishes each of these players all the best as
