

THE KING'S HERALD

World-class Christian educators passionately committed to student success...

FROM THE PRINCIPAL'S DESK...

Our school continues to be a bee hive of activity. Everyone is aware that we have now passed the half-way point in the semester. Students realize and teachers affirm that now is a good time to work very hard at completing assignments at an exceptional level of quality, representing deep understanding.

Our sports teams have completed successful seasons in Ladies' Basketball and Men's Volleyball; Student Council has hosted a dance about which one student remarked "This is the best dance ever!", and the Music Conservatory is nearing completion. We can't say that King's is a dull place!

In addition to the superb learning that goes on regularly, the recent Gala was a huge success. It was fun, it was our first "casual" Gala, the food was great and we re-affirmed what King's is all about. We are proud of our athletics program and honoured by our athletes for what they have accomplished, both here at King's and beyond. We give thanks to God for providing a superb instructional culture that permits students to excel in sports beyond King's athletics. We have present students and alumni who participate in soccer, football, dancing, swimming, equestrian, tennis, skiing, baseball, hockey and more - many at a highly competitive level. Thanks to your generosity, we raised \$80,000

STUDENT SERVICES

The Student Services Department is busy assisting students as they consider university and college applications. To facilitate the process for applications, please check the QuickLinks section of the King's homepage (www.kingschristian.ca) - you'll find links to a helpful presentation that will walk you through the application process, as well as a video tutorial. for athletics at King's.

All parents are encouraged to attend the Fall Membership Meeting on Monday evening, November 22 at 7:30 pm in the library. It is a time to share the latest developments, consider by-law changes and discern God's will for a plan to invest in a modernized sports field. Be sure to join us - we look forward to seeing each of you that night.

Daniel Martinez receives his Optimist Club award

KING'S STUDENT HONOURED

The outstanding efforts of Daniel Martinez (above, right) were rewarded by the Optimist Club of Oakville on Monday, November 8. Daniel, a Grade 12 student at King's, has a strong desire to help others. For instance, Daniel willingly assists at church functions, participates in the annual 30 Hour Famine, serves as a welcoming and caring Prefect leader, and acts as an enthusiastic tour guide for school Open Houses. He is also known for being a dedicated, responsible and effective tutor to many of his peers at King's. Daniel strives to make a positive impact in numerous ways, and his generous efforts are greatly appreciated by others! Thank-you to the Optimist Club of Oakville for looking for ways to recognize and celebrate students who make a difference.

OPERATION CHRISTMAS CHILD

It is great fun to put together a gift package for children around the world to open at Christmas! The King's student body and staff got involved by purchasing and assembling class shoeboxes for Samaritan's Purse, a Christian international relief organization. Led by Summer Sawatsky, the Student Council Minister of Spiritual Life, over 80 gift boxes were packaged. Thank-you to (pictured left to right) Summer, Weeda Beg, and Samantha Wierdsma, as well as (not pictured) Ariana Vargis, Bel Carmona, Genelle Levy and Mrs. Terry for the extra care put into ensuring

that each box was completely full. If anyone is interested, shoeboxes can also be purchased online to bless children in Haiti by visiting <http://www.samaritanspurse.ca/occ/>

Did you know that the Portfolio is looked at even before marks are considered?

This event is designed to give you and your art student the edge: insight, experience, information and preparation for **successful admission** to Art University or College. Here is your chance to ask your questions about art careers and university applications. We will look at successful portfolios and discuss how to begin this process early to ensure entry to the art schools of your choice.
