Standard Rates	One Child	Two Children
Tuition	\$11,600	\$16,500
Transportation	\$1,500	\$3,000

Notes:

1. Rates include the use of all required textbooks and the use of a TI83 calculator.
2. Prior to enrolment, new families are required to contribute a \$3,500 levy to the capital fund.
3. This agreement assumes enrolment until graduation unless we are notified otherwise. Students who are not planning to return the following September should notify the school no later than May 15th. Tuitions are not refundable unless there are extreme mitigating circumstances.
4. King's Christian Collegiate is a registered charity. The tuition payment attracts a partial donation receipt which can be submitted to Revenue Canada. For one child, the recoverable tax is approximately \$3,000.

BURSARIES:

King's Christian Collegiate provides bursaries to families who desire a Christian high school education for their children but have insufficient income and/or assets. Supporting financial documentation is required for all bursary applications. Preferential support will be given to parents who have other children enrolled at a school where the tuition is greater than \$8,000 per year.

I hereby request a \$_____ King's Christian Collegiate bursary. This bursary request is due to personal financial constraints as demonstrated by the attached financial documentation. Bursary application forms are available upon request from the Director of Admissions.
